To Whom It May Concern:

I am writing to express my joy in working with Mr. Jeffry Steele at Camp Calumet Lutheran this summer. I was serving as the Family Camping Chaplain for the week, and Mr. Steele was working as the camp Music Director for most of the summer.

During the week of our working together, I found Mr. Steele to be not only fun to work with, but also very knowledgeable about the music field and very capable in leading the music portion of our daily devotions, Sunday worship, and Evening Vespers. In particular, he had written a very moving four part harmony piece of music based on Matthew 25. He worked with eight singers for the week to form a choir for Thursday evening. They performed beautifully under his direction.

I highly recommend Mr. Jeffry Steele for any position in the field of music. It was an honor and a pleasure to work with him.

Sincerely,

Rev. David W. Rinas
